Public Law 111-377

Post-9/11 Veterans Educational Assistance Improvement Act of 2010

PL 111-377

- ❑ VA amended or clarified regulations to implement provisions of the law effective 8/1/2011, including:
 - Discontinuance of interval pay
 - Election of alternate payment in lieu of regular Chapter 31 subsistence allowance
 - Rates of payment for
 - Foreign training
 - On-line training
 - NPWE, OJT, and Apprenticeship training
 - Employment Adjustment Allowance
 - Revolving Fund Loans

PL 111-377

An alternate payment named the “Post-9/11 subsistence allowance”

- May be elected if Veteran is eligible for both Chapter 31 and Chapter 33 benefits* (CFR 21.264)
- Is based on the basic allowance for housing (BAH) for an E-5 with dependents
- Uses the BAH for the zip code of the training facility
- Uses current Chapter 31 rules for calculating training time

This alternate payment is not calculated in the same way as the Chapter 33 monthly housing allowance.

*** Veterans must apply for Chapter 33 benefits to obtain a certificate of eligibility that specifies the number of months of entitlement and delimiting date under Chapter 33**

PL 111-377

Post-9/11 subsistence allowance rates

- BAH amount may be calculated at DoD website:
 - <https://www.defensetravel.dod.mil/site/bahCalc.cfm>
 - Enter year, facility zip code and E-5
 - Click “calculate”
 - Use rate for E-5 with dependents
- Will not be further adjusted for dependents
- May only be paid while the Veteran is eligible for both Chapter 31 and Chapter 33 benefits
- Veteran may retain 2011 rate if 2012 rate is less and the Veteran maintained continuous enrollment, without breaks

PL 111-377

Post-9/11 subsistence allowance for training that is solely on-line or in-home

- For full-time training, it is 50% of the BAH national average for an E-5 with dependents
- Uses current Ch 31 rules for calculating training time
 - Full time = 50% of BAH national average
 - $\frac{3}{4}$ time = 37.5% of BAH national average
 - $\frac{1}{2}$ time = 25% of BAH national average
- BAH national average for 2012 is \$1368.00 (found on VA Post 9/11 GI Bill website – updated annually)
- If even one credit of a term is taken at a physical facility, payment for that term is based on BAH of that physical facility's zip code

PL 111-377

Post-9/11 subsistence allowance for training at a foreign institution

- Is based on the BAH national average for an E-5 with dependents
- Uses current Ch 31 rules for calculating training time
 - Full time = BAH national average
 - $\frac{3}{4}$ time = 75% BAH national average
 - $\frac{1}{2}$ time = 50% BAH national average
- BAH national average for 2012 is \$1368.00 (found on VA Post 9/11 GI Bill website – updated annually)
